PATIENT RIGHTS AND RESPONSIBILITIES

The Patient has the right:

1. To receive effective treatment and quality services from Golden Years Home Health Supported Living LLC Home Health Care for services identified in the plan of care.
2. To be cared for by appropriately trained or credentialed personnel or contractors with coordination of services.
3. To a statement advising of the right to ongoing participation in the development of the plan of care.
4. To a statement advising of the right to access to the Department of Health listing of licensed home health agencies and to select any licensee to provide care, subject to the individual's reimbursement mechanism or other relevant contractual obligations.
5. To a listing of the total services offered by Golden Years Home Health Supported Living LLC Home Health Care and those being provided to the patient.
6. To refuse specific treatments or services.
7. To the name of the individual within Golden Years Home Health Supported Living LLC Home Health Care responsible for supervising the patient's care and the manner in which that individual can be contacted.
8. To be treated with courtesy, respect, and privacy.
9. To be free from verbal, mental, sexual, and physical abuse, neglect, exploitation, and discrimination.
10. To have property treated with respect.
11. To privacy and confidentiality of personal information and health care related records.
12. To be informed of what Golden Years Home Health Supported Living LLC Home Health Care charges for services, to what extent payment may be expected from health insurance, public programs, or other sources, and what charges the patient may be responsible for paying.
13. To a fully itemized billing statement upon request, including the date of each service and the charge. Note: if Golden Years Home Health Supported Living LLC Home Health Care is providing services through a managed care plan, we are not required to provide an itemized billing statement.
14. To be informed about advanced directives and POLST and Golden Years Home Health Supported Living LLC Home Health Care scope of responsibility.
15. To be informed of Golden Years Home Health Supported Living LLC Home Health Care policies and procedures regarding the circumstances that may cause the agency to discharge a patient.
16. To be informed of Golden Years Home Health Supported Living LLC Home Health Care policies and procedures for providing back-up care when services cannot be provided as scheduled.
17. A description of Golden Years Home Health Supported Living LLC Home Health Care process for patients and families to submit complaints to the home health agency about the services and care they are receiving and to have those complaints addressed without retaliation.
18. To be advised of the toll-free home health hotline for the State of Washington and the purpose of the hotline to receive complaints or ask questions about the agency or credentialed health care professionals. The State of Washington Home Health Hotline is **1-800-633-6828**.
    You may also register complaints in writing to: Washington State Department of Health, Facility Services Licensing, PO Box 47852, Olympia, WA 98504-7852.

19. To be informed of the DSHS End Harm hotline number to report suspected abuse of children or vulnerable adults: **1-866-363-4276**.
20. The home health agency must ensure that the patient rights under this section are implemented and updated as appropriate.

The Patient has the responsibility:

1. To provide, to the best of his/her knowledge, accurate and complete information about:
   a. Past and present medical histories.
   b. Unexpected changes in his/her condition.
   c. Whether he/she understands a course of action selected.
2. To follow the treatment recommended by the particular handling of the case.
3. For his/her actions if he/she refuses treatment or does not follow the physician's orders.
4. For assuring that the financial obligations of his/her health care are fulfilled as promptly as possible.
5. To respect the rights of all staff providing service.
6. To notify the agency promptly in advance of an appointment or visit you must cancel.
7. To become independent in care to the extent possible, utilizing self, family and other sources.
8. To pay for care or services not covered by 3rd party payers.
9. To comply with the rules and regulations established by the agency and any changes subsequent to the rules.

DERECHOS Y RESPONSABILIDADES DEL PACIENTE

Declaración de Propósitos

Se prevé que la observancia de estos derechos y responsabilidades contribuirá a la atención más eficaz y una mayor satisfacción para el paciente, así como el personal. Los derechos serán respetados por todo el personal y se integran en todos los programas de atención médica domiciliaria. Una copia de estos derechos se le dará a los pacientes y sus familias o representante designado. Si el paciente o su representante designado es incapaz de leer la Declaración de Derechos y Responsabilidades, se le leerá. Si el paciente o su representante no habla inglés, se proporcionará una copia de estos derechos en un idioma que se entienda. El paciente o su representante designado tiene el derecho de ejercer estos derechos. En el caso de un paciente declarado incompetente, los derechos del paciente son ejercidos por la persona designada por la ley para actuar en nombre del paciente. En el caso de un paciente que no ha sido juzgado incompetente, cualquier representante legal podrá ejercer los derechos del paciente en la medida permitida por la ley.

El Paciente tiene derecho a:

1. Recibir tratamiento eficaz y servicios de calidad de Golden Years Home Health Supported Living LLC Home Health Care para los servicios identificados en el plan de atención.
2. Ser atendido por personal o contratistas debidamente capacitados o acreditados con coordinación de servicios.
3. A una declaración informando del derecho a la participación continua en el desarrollo del plan de atención.
4. A una declaración que informe sobre el derecho a acceder a la lista del Departamento de Salud de agencias de atención médica domiciliaria autorizadas y a seleccionar cualquier titular de licencia para brindar atención, sujeto al mecanismo de reembolso del individuo u otras obligaciones contractuales relevantes.
5. A una lista del total de servicios ofrecidos por Golden Years Home Health Supported Living LLC (atención médica domiciliaria) y los que se brindan al paciente.
6. Rechazar tratamientos o servicios específicos.
7. Al nombre de la persona dentro de Golden Years Home Health Supported Living LLC Home Health Care responsable de supervisar la atención del paciente y la manera en que se puede contactar a esa persona.
8. Ser tratado con cortesía, respeto y privacidad.
9. Estar libre de abuso, negligencia, explotación y discriminación verbal, mental, sexual y física.
10. Que la propiedad sea tratada con respeto.
11. A la privacidad y confidencialidad de la información personal y los registros relacionados con la atención médica.
12. A ser informado de lo que Golden Years Home Health Supported Living LLC Home Health Care cobra por los servicios, en qué medida se puede esperar pago del seguro médico, programas públicos u otras fuentes, y qué cargos el paciente puede ser responsable de pagar.

13. A un estado de cuenta completamente detallado previa solicitud, incluida la fecha de cada servicio y el cargo. Nota: si Golden Years Home Health Supported Living LLC Home Health Care brinda servicios a través de un plan de atención administrada, no estamos obligados a proporcionar un estado de cuenta detallado.
14. Estar informado sobre las directivas avanzadas y el alcance de responsabilidad de POLST y Golden Years Home Health Supported Living LLC.
15. Estar informado sobre las políticas y procedimientos de atención médica domiciliaria de Golden Years Home Health Supported Living LLC con respecto a las circunstancias que pueden causar que la agencia dé de alta a un paciente.
16. Estar informado sobre las políticas y procedimientos de atención médica domiciliaria de Golden Years Home Health Supported Living LLC para brindar atención de respaldo cuando los servicios no se pueden brindar según lo programado.
17. Una descripción del proceso de Golden Years Home Health Supported Living LLC para que los pacientes y sus familias presenten quejas a la agencia sobre los servicios y la atención que reciben y para que esas quejas se aborden sin represalias.
18. Ser informado sobre la línea directa gratuita de atención médica domiciliaria para el estado de Washington y el propósito de la línea directa para recibir quejas o hacer preguntas sobre la agencia o los profesionales de atención médica acreditados. La línea directa de atención médica domiciliaria del estado de Washington es **1-800-633-6828**.
    También puede presentar quejas por escrito a: Departamento de Salud del Estado de Washington, Licencias de Servicios de Instalaciones, Apartado Postal 47852, Olympia, WA 98504-7852.
19. Ser informado del número de la línea directa para poner fin a daños del DSHS para denunciar sospechas de abuso de niños o adultos vulnerables: **1-866-363-4276**.
20. La agencia de atención médica domiciliaria debe garantizar que los derechos del paciente establecidos en esta sección se implementen y actualicen según corresponda.

El Paciente tiene la responsabilidad de:

1. Suministrar según su conocimiento, información completa y precisa sobre:
    a. Su historia clínica pasada y presente.
    b. Cambios inesperados en su condición.
    c. Si él/ella entiende los procedimientos a seguir.
2. Seguir el tratamiento recomendado por el profesional que lo atiende.
3. Responsabilizarse de sus acciones si rechaza el tratamiento o no sigue las órdenes del médico.
4. Asegurar el pago de sus gastos médicos lo más pronto posible.
5. Respetar los derechos del personal que provee el servicio.
6. Notificar a la agencia con anticipación la cancelación de una visita.
7. Independizarse en cuanto a su cuidado en la forma que le sea posible, bien por sí mismo, a través de un familiar u otro recurso.
8. Pagar por los servicios que no estén cubiertos por una tercera parte.
9. Acatar las reglas y regulaciones establecidas por la agencia y/o cualquier modificación de las mismas.

CONSENT FOR TREATMENT AND FINANCIAL AGREEMENT

Patient name (last, first, MI): _____ **Patient MR #:** _____

CONSENT TO RECEIVE SERVICES: I, _____, hereby authorize the Agency to render appropriate home health services to me. I certify that I am homebound and cannot leave home without the assistance of someone. I have been fully informed of the Agency's assessment and evaluation of my home care needs, the risk of receiving or declining the home care services. I understand that the Agency does not do drug testing on its employees. I accept the proposed Plan of Care and authorize services to be provided by the Agency in accordance with the orders of my physician and supervision to be done by agency personnel. I recognize that I have the right to refuse treatment or terminate services at any time by notifying the agency office. Also, the Agency may terminate service by notifying me of termination and reason. I believe my service needs to be: _____

AUTHORIZATION FOR PAYMENT TO PROVIDER: I certify that information given by me in applying for payment under title XVIII or title XIX of the Social Security Act, or other third party pay or coverage is correct. I authorize any holder of medical or other information about me to be released to the SSA or its intermediaries, or other third party payers any information needed for this or other related claims. I request that payment as authorized be made on my behalf to the Agency. This authorization and request shall apply to the certification period starting _____ until the order is discontinued by my physician.

CHARGE FOR SERVICES: Your initial services from the Agency will include the following services and initial frequency of visits and charge per visit if private insurance or private pay.

Services and/or supplies	Frequency of visits	Charge per visit	Services and/or supplies	Frequency of visits	Charge per visit
Skilled Nursing			Occupational Therapy		
Speech Therapy			Other: _____		
Home Health Aide					
Physical Therapy					

PATIENT LIABILITY FOR PAYMENT: You have the right to be advised, before care is initiated, of the extent to which payment may be required from you, the patient. We are advising you, orally and in writing, about the cost of items and services to be provided. Patient is responsible for the annual deductible and 20% co-payment for all charges for PT, ST, OT series which is $_____ per visit. You will receive a bill monthly for charges incurred. As the patient, you will be notified of any change in the charges for items or a service provided as soon as possible, but no later than 30 days from the date the home health agency becomes aware of a change.

Payer (check one):

☐ Black Lung ☐ Veterans Administration ☐ Worker's Compensation ☐ Private Insurance ☐ Private Pay

Your insurance company is _____. This insurance company covers _____% of the charges. You are responsible for $_____ per visit, which is the balance after insurance pays. The deductible amount of $_____ will be billed to you. You will be responsible for charges related to the services provided to you by this agency, including charges related to supplies used in providing care to you.

Payment is rendered with my signature below. This assignment shall not extinguish or diminish the patient's obligation to pay the full fee to the company for services rendered, but the patient shall receive credit for all sums collected pursuant to the agreement. If the enrolled patient is in another insurance plan or HMO, it is the patient's responsibility to notify the Agency or the patient will be held responsible for payment.

PATIENT'S RIGHTS / EMERGENCY PLAN / COMPLAINT PROCEDURE: I have been informed of my rights and received a copy of the Patient's Bill of Rights prior to the start of care, including "Advance Directives, Emergency Plan, Out-of-Hospital Do-Not-Resuscitate, Patient's Conduct & Responsibilities, Abuse/Neglect/Exploitation". I have been allowed to participate in planning my care and have received a copy of the Washington State toll-free Home Health Hotline number, **1-800-633-6828**, which receives complaints or grievances.

CONFIDENTIALITY: It is our policy to protect all clinical records against loss, defacement, tampering and use by unauthorized person(s). All patient identifiable information in the clinical record, including OASIS data, remains confidential and is not released to the public. OASIS data will be electronically transmitted to the state. The patient's written consent shall be required for the release of medical information to persons not otherwise authorized by law (state) to receive this information. Authorized persons who may review the clinical record include surveyors, physicians, and external and internal auditing personnel.

RELEASE OF RECORDS: I understand the agency policy with regard to confidentiality and release of records prohibits access to my records by persons other than personnel involved in care. I therefore give written consent for release of medical records to health care providers in my treatment care. The patient has received written information regarding their right to make healthcare decisions.

HOME CARE ASSESSMENT FORM

Client Information

Client Name: _____ **Date of Birth:** _____

Address: _____ **Phone Number:** _____

Emergency Contact Name: _____ **Emergency Contact Phone:** _____

Home Care Agency

Agency Name: Golden Years Home Health Supported Living LLC **Phone Number:** (253) 487-7217

Address: 614 Harrison St, Suite C, Sumner, WA 98390

Supervisor of direct care services: _____ **Date of Assessment:** _____

Reason for Assessment

☐ Initial Assessment (New Client) ☐ Reassessment (Existing Client)

Assessment Areas

1. Physical Health

Current diagnoses: List any current medical conditions or diagnoses.

Functional limitations: Describe any physical limitations that affect the client's daily activities.

Mobility: Assess the client's ability to move around safely and independently (e.g., walking, transferring).

Pain management: Evaluate the client's pain level and current pain management strategies.

Medications: Review the client's current medications and any potential side effects. (Note: This assessment focuses on non-medical services and does not include medication management.)

2. Mental Health

Cognitive functioning: Assess the client's memory, orientation, and ability to follow directions.

Mood and emotional state: Evaluate the client's emotional well-being and identify any signs of depression, anxiety, or confusion.

Safety concerns: Identify any potential risks related to cognitive decline or mental health.

3. Social Environment

Living situation: Describe who lives in the home with the client and their ability to assist with care.

Social support network: Identify the client's support system, including family, friends, and community resources.

Social isolation: Assess the client's risk for social isolation and loneliness.

4. Activities of Daily Living (ADLs)

Bathing: Evaluate the client's ability to bathe independently and the level of assistance required (e.g., supervision, physical assistance).

Dressing: Assess the client's ability to dress independently and the level of assistance required.

Eating: Evaluate the client's ability to eat independently and the level of assistance required.

Toileting: Evaluate the client's ability to use the toilet independently and the level of assistance required.

Transferring: Assess the client's ability to move from one position to another (e.g., bed to chair) and the level of assistance required.

Continence: Assess the client's ability to control bladder and bowel function.

5. Instrumental Activities of Daily Living (IADLs)

Housekeeping: Evaluate the client's ability to perform tasks such as cleaning, laundry, and waste disposal.

Meal preparation: Assess the client's ability to plan, prepare, and cook meals.

Medication management: This assessment does not include medication administration. It focuses on the client's ability to manage their medication schedule and refills. (Non-medical service)

Transportation: Evaluate the client's ability to get around independently or with assistance.

Shopping: Assess the client's ability to shop for groceries and other necessities.

ADMISSION FORMS CHECKLIST

For the admitting professional — tick each form completed or left in the home

- ☐ **Physician's Supplemental / Telephone / Verbal Order** — leave in home in case of notifying MD from home; any new orders received must be faxed to MD for signature.
- ☐ **Home Health Face-to-Face Encounter** — fax to MD for signature. Patients must have a face-to-face encounter with the MD no more than 90 days before or 30 days after home health care services begin. MD must include a detailed description of home health service needs and diagnosis(es).
- ☐ **Home Health Change of Care Notice (HHCCN)** — use if there is a change in care/services. Leave one copy in the home and take one copy to the office.
- ☐ **Skilled Nurse's Note** — complete for any follow-up visits after admission.
- ☐ **Home Health Aide Care Plan** — complete if the patient is to have HHA services. Patient receives one copy and one copy goes to the office.
- ☐ **Home Health Aide Time and Activity Record / Visit Notes** — leave in home if the patient receives HHA services and the HHA care plan was completed.
- ☐ **Discharge Summary** — complete after the last visit, then fax to MD; keep a copy in the office chart with the fax confirmation sheet.
- ☐ **Post Admission Patient Satisfaction Survey** — put in home chart and remind the patient to complete it after the last visit.
- ☐ **Coordination of Care progress note** — complete and fax to MD; keep a copy in the office chart with the fax confirmation sheet.
- ☐ **60 Day Summary Report** — complete at the 60-day case conference and fax to MD; keep a copy in the office chart with the fax confirmation sheet.
- ☐ **Front chart stickers** — must be placed on the front of the patient's chart.

HOME HEALTH CHANGE OF CARE NOTICE (HHCCN)

Home health agency	Golden Years Home Health Supported Living LLC	**Patient name**	_____
Address	614 Harrison St, Suite C, Sumner, WA 98390	**Patient identification**	_____
Phone	(253) 487-7217		

Your home health care is going to change. Starting on _____, your home health agency will change the following items and/or services for the reasons listed below.

Items / services	Reason for change

Read the information next to the checkbox below. Your home health agency is giving you this information because:

- ☐ **Your doctor's orders for your home care have changed.**
  The home health agency must follow physician orders to give you care. The home health agency can't give you home care without a physician's order. If you don't agree with this change, discuss it with your home health agency or the doctor who orders your home care.
- ☐ **Your home health agency has decided to stop giving you the home care listed above.**
  You can look for care from a different home health agency if you have a valid order for home care and still think you need home care. If you need help finding a different home health agency to give you this care, contact the doctor who ordered your home care.

If you have questions about these changes, you can contact your home health agency and/or the doctor who orders your home care.

Additional information:

Please sign and date below to show that you received and understand this notice. Return this signed notice to your home health agency in person or by mailing it to them at the address listed at the top of this notice.

Signature of the patient or of the authorized representative*

Date

*If a representative signs for the beneficiary, write "(rep)" or "(representative)" next to the signature. If the representative's signature is not clearly legible, the representative's name must be printed.

POST ADMISSION PATIENT SATISFACTION SURVEY

Patient name: _____ **Date:** _____

We are privileged to participate in your care. We are interested in rendering quality care to our patients and would appreciate your input by answering the following questions. Your evaluation will allow us to be more responsive to future patient/family needs. Feel free to use the back of the form to expand on anything.

#	Question	Yes	No	N/A
1	Were you notified that you were to receive an initial home visit in a timely manner?			
2	Did your admitting professional give you the telephone number and contact person at the agency in case you had any questions or concerns, including after-hours information?			
3	Did you participate in your plan of care?			
4	Did you receive information on your Bill of Rights, including the State Hotline number to call if you have any complaints?			
5	Did the agency admitting nurse present a professional appearance?			
6	Did the nurse wear a name tag and introduce himself/herself as a representative of the agency and explain his/her role?			
7	Did the nurse leave a folder with information about your care in your home?			
8	Do you understand the services that your doctor ordered?			
9	Did the staff tell you the date of your next visit and the frequency of visits?			
10	Did the nurse take your temperature, pulse, respirations and blood pressure?			
11	Did the nurse wash his/her hands before and after caring for you?			
12	Did the nurse teach/talk to you about your medications?			
13	Did the nurse teach/talk to you about signs and symptoms to report to the doctor?			
14	Did the nurse teach/talk to you about your diet?			
15	Did the nurse teach/talk to you about wound care (if applicable)?			
16	Did the nurse teach/talk to you about plans for discharge (if applicable)?			
17	Did you feel the nurse answered your questions appropriately?			

Comments:

Thank you for taking the time to complete the survey.

NOTICE OF PRIVACY RIGHTS

Name of organization: **Golden Years Home Health Supported Living LLC**

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

1. Below is a description, including at least one (1) example, of the types of uses and disclosures that the above organization is permitted to make for each of the following purposes: treatment, payment and health care operations.
   Disclosures to other health care providers, including, for example, to patients' attending physicians. Submission of claims and supporting documentation including, for example, to organizations responsible to pay for services provided by the organization. Disclosures to conduct the operations of the organization, including, for example, sharing information with supervisors of staff members who provide care to patients.
2. Below is a description of each of the other purposes for which the organization is permitted or required to use or disclose protected health information without an individual's written consent or authorization.
   To patients, incident to another permitted use or disclosure, by agreement, to the Secretary of the U.S. Department of Health and Human Services, as required by law, for public health activities, information about victims of abuse, neglect or domestic violence, health oversight activities, for judicial and administrative proceedings, for law enforcement proceedings, about decedents, for cadaveric organ, eye or tissue donation, for research purposes, to avert a serious threat to health or safety, for specific government functions, to business associates of the organization, to personal representatives, de-identified information, to workforce members who are victims of crimes, to workers' compensation programs, for involvement in the individual's care and for notification purposes, with the individual present, for limited uses and disclosures when the individual is not present, and for disaster relief purposes.
3. Other uses and disclosures, such as disclosure of psychotherapy notes, use of protected health information for marketing activities and the sale of protected health information, will be made only with the individual's written authorization and the individual may revoke such authorization.
4. The organization may contact the individual to schedule visits and for other coordination of care activities.
5. The individual has the right to request further restrictions on certain uses and disclosures of protected health information, but the organization is not required to agree to any requested restriction(s), except disclosures must be restricted to health plans if the disclosure is for the purpose of carrying out payment or health care operations and is not otherwise required by law and the protected health information pertains solely to a health care item or service for which the individual or person other than the health plan on behalf of the individual has paid the organization in full.
6. The individual has the right to receive confidential communications of protected health information, the right to inspect and copy protected health information, the right to amend protected health information, the right to receive an accounting of disclosures of protected health information and the right to obtain a paper copy of this Notice from the organization upon request.
7. The organization is required by law to maintain the privacy of protected health information and to provide individuals with notice of its legal duties and privacy practices with respect to protected health information and to notify affected individuals following a breach of unsecured protected health information.

8. The organization is required to abide by the terms of this Notice currently in effect.
9. The organization reserves the right to change the terms of its Notice and to make the new notice provisions effective for all protected health information that it maintains. Individuals may obtain a revised copy of this Notice upon request.
10. Individuals may complain to the organization and to the Secretary of the U.S. Department of Health and Human Services if they believe their privacy rights have been violated. Complaints should be directed to _____ at the organization at the following telephone number: (253) 487-7217. Individuals will not be retaliated against for filing a complaint.
11. For further information, individuals should contact _____ at the organization at the following telephone number: (253) 487-7217.
12. This Notice is in effect as of _____.
13. My signature below is an acknowledgement that I have received a copy of this notice.

HOMEBOUND DETERMINATION QUESTIONNAIRE (SKILLED)

Patient name: _____ **MR #:** _____

The Agency must assess and address the following homebound criteria to determine if the patient is homebound:

#	Question	Yes	No	N/A
1	Does the patient exhibit a normal inability to leave home?			
2	Does the patient exhibit a considerable and taxing effort to leave home?			
3	If absences do occur, are the absences infrequent or of relatively short duration?			
4	If absences do occur, are the absences attributable to the need to receive health care treatment or to receive therapeutic, psychosocial, or medical treatment in an adult day care center?			
5	Does the patient require use of an assistive device? If so, list: _____			

Ask the patient the following questions at the start of care and as needed. Document the patient's responses.

1. How do you obtain your medicine, food, and medical care?

_____

2. How often and for how long do you leave home for non-medical purposes?

_____

3. For what non-medical reasons do you leave home?

_____

4. If you go to an adult day-care center, what therapeutic, psychosocial, or medical treatment services are provided at the adult day-care center?

_____

Based on the patient responses, this patient has been determined to be homebound. The patient has been given an explanation and by signing this form understands the definition of homebound and agrees to comply with the homebound requirement. The patient understands and agrees that once his/her condition changes and he/she is able to leave the home more often for longer periods of time for non-medical purposes or begins to drive, he/she will contact the Agency immediately. Failure to comply with homebound requirements may result in patient liability for payment of services as allowed by the law.

_____ _____

Patient's signature Date

_____ _____

Agency representative Date

If the patient does not meet homebound criteria, call the Agency office immediately for further instructions.

PLAN OF CARE

1. Client information

Client name: _____ DOB: _____

Sex
☐ Male ☐ Female

Record #: _____ SOC date: _____

Client address: _____ Client phone number: _____

Lives with: _____ Relationship to client: _____

Emergency contact (name, relationship, phone): _____ Evacuation plan: _____

Priority level
☐ I ☐ II ☐ III ☐ IV

Diagnosis: _____

Allergies: _____ Diet (specify): _____

Nutritional needs: _____

Food allergies: _____

2. Assistive devices

☐ Hearing aids — R ☐ Hearing aids — L ☐ Glasses ☐ Dentures
☐ Cane ☐ Walker ☐ Wheelchair ☐ Crutches
☐ Hospital bed ☐ Side rails ☐ Gait belt ☐ Slide board
☐ Hoyer lift ☐ Shower chair ☐ Bedside commode ☐ 3-in-1
☐ Ostomy equipment ☐ Prosthetic device ☐ Splint ☐ Cast
☐ Brace ☐ TED hose ☐ Other: _____

Psychosocial
☐ Alert ☐ Oriented ☐ Confused ☐ Forgetful ☐ Wanders

Functional limitations
☐ Hard of hearing ☐ Legally blind ☐ Non-verbal communication
☐ Amputee (site): _____ ☐ Paralyzed (site): _____ ☐ Incontinence — bladder
☐ Incontinence — bowel ☐ Other: _____

Primary language: _____

Service to be provided: _____ Duration of services: _____

Frequency of visits: _____

Special requests from client or family: _____

Supervisor name and number: _____

Frequency of supervisory visits: _____

3. Level of medication assistance

- ☐ No assistance required
- ☐ Medication reminders — caregivers will remind the patient to take medications at scheduled times
- ☐ Assistance with self-administered medications — caregiver will assist in opening containers, reading labels, and ensuring the correct dosage is taken
- ☐ Medication administration (only licensed staff) — nurse will administer per physician's orders
- ☐ Other: _____

Medications reviewed by (nurse/agency representative): _____

Patient understanding of medication use

☐ Full ☐ Needs reinforcement ☐ Did not understand

Follow-up needed? ☐ Yes ☐ No

4. Patient and family education needs

Education topics covered (check all that apply)

☐ Condition management	☐ Medication education	☐ Infection control
☐ Home safety	☐ Nutrition	☐ Mobility assistance
☐ Emergency preparedness	☐ Use of medical equipment	☐ Other: _____

Education provided by (nurse/agency representative): _____

Patient/family understanding

☐ Full ☐ Needs reinforcement ☐ Did not understand

Follow-up education needed? ☐ Yes ☐ No

Goals for care
